# I. Current Insurance Policy

- International students are encouraged to be registered to at least one private insurance:

Hallym University's affiliated insurance

## 1. Start-of-Semester Payment

[option 1] valid for 1 year: 120,000 KRW

[option 2] valid for 6 months: 70,000 KRW

Valid starting from either **March 1** or **September 1** every year

## 2. Mid-Semester Payment: one time only during the semester for late payment

※ *The term of coverage begins on the date of payment and ends on the pre-designated date of either Feb. 28 or Aug. 31. The fee is the same as start-of-semester payment*

※ *The one-time late payment policy is set by the insurance company*

- In case of choosing an insurance other than the affiliated, support from the office may NOT be provided

■ **International students are encouraged to be registered to at least one private insurance:**

**Hallym University's affiliated insurance**

- Complete enumeration right before the semester starts (end-Feb. & end-Aug.) based on the list of insurance fee defaulters among international students enrolled in the integrated system
  - Individual information ★ personal email address & phone number are important★
  - New language-course students are excluded because their insurance fee is already paid as a part of the admission fee
  - Some graduate students, who arrived and got registered late, MUST not miss the one-time registration chance in mid-semester

■ **Insurance claim : reimbursement**

- General treatment at clinics and hospitals: payment first & reimbursement after
- Particular cases such as hospitalization and operations: insurance company stays security for students and pays instead, however self-paying amount may still occur

■ Insurance registration online self-check
